We are just finishing the construction of a 10 room resort on Bulabog Beach (sorry about the name but it has no reflection on the beach itself!!) on the island of Boracay in the Philippines.

Reef retreat Resort will open on the 1st November 2007 and we are currently taking bookings for the season so if you fancy a holiday in the tropics, email us on reef.retreat@hotmail.com. Our website will be up and running soon but in the meantime i can send you photos or details via email.

We have a windy season from November to April, crystal clear waters with average temperature 27 deg and a flat water lagoon protected by a reef or waves outside the reef. Its ideal to learn to windsurf or kitesurf or a great place to just get on the water and board!! Its been the location for the Asian Windsurfing tour for 18 years and kitesurfing for the last 3 years.

For those of you with non boarding partners, only 10mins walk is the famous white sand beach which stretches for 4 km, perfect for scuba diving, sunbathing or watching the sun set with a cocktail or 2!!.

Look forward to meeting you.:
