
Anybody out Thu/Fri?

Posted by sharkey - 2008/02/20 15:07

Forecast looks OK (ish)

Working in the morning both days so can only get to WK and can only do one afternoon.

Anybody else going out?

Any thoughts on the forecast? - yes I am desperate haven't been out this year yet:(

Heading to Rhossy tomorrow if anybodies keen. Won't be much in the way of waves but should be plenty of wind...

I'm pulling a fast one from work any second, when i see my window of opportunity open... then blasting down to kirby to catch the tide for a few hours
