
Evo 74 + Tush Rock 5.0m on eBay now!

Posted by rcut - 2008/03/28 10:41

Hope this is not seen as abuse of the forum but thought could be of interest to NW sailors especially.

Due to new gear selling older, good condition kit on eBay now, also mast and board bag. Cheers, Rich.

P.S. can anyone read this because i've been unable to read any posts for weeks now - getting memory errors!
