For anyone attending a National Windsurfing week event last week, please send you photos to [photo@nationalwindsurfingweek.org](mailto:photo@nationalwindsurfingweek.org) for your chance to win a great Dakine Sequence Photo Pack. We have had only a few entries so far so you stand a great chance of winning one of these superb prizes thanks to surfsales. Dave White is our judge and will pick the best from each category (full rules and details on <http://www.nationalwindsurfingweek.org> )

This site would also like to see some of your pictures of the event so make sure you also upload them here for all to see.

Good luck all.
