As an airplane is about to crash, a female passenger jumps up frantically and announces, "If I'm going to die, I want to die feeling like a woman."

She removes all her clothing and asks, "Is there someone on this plane who is man enough to make me feel like a woman?"

A man stands up, removes his shirt and says, "Here, iron this!".

Not so much a joke as a quote.

One afternoon at cheers,Cliff Clavin was explaining the" Buffalo Theory".Here's how it went:

"Well ya see, Norm, it's like this...A herd of Buffalo can only move as fast as the slowest Buffalo and when a herd is hunted, it is the slowest and weakest ones at the back that are killed first.This natural selection is good for the herd as a whole, because the general speed and health of the whole group keeps improving by the regular killing of the weakest members.In much the same way, the human brain can only operate as fast as the slowest brain cells.

Excessive intake of alcohol, as we know,kills Brain cells.But naturally, it attacks the slowest and weakest Brain cells first.In this way, regular consumption of Beer eliminates the weaker brain cells, making the brain a faster and more efficient machine.That's why you always feel smarter after a few beers".

Joke of the day

Posted by Yoda82 - 2003/07/03 10:21

It was autumn, and the Red Indians on the remote

reservation asked their new Chief if the winter was

going to be cold or mild. Since he was a Red Indian Chief in a modern society, he had never been taught the old secrets, and when he looked at the sky, he couldn't tell what the weather was going to be.

Nevertheless, to be on the safe side, he replied to his tribe that the winter was indeed going to be cold and that the members of the village should collect wood to be prepared.

But also being a practical leader, after several days he got an idea. He went to the phone booth, called the National Weather Service and asked "Is the coming winter going to be cold?"

"It looks like this winter is going to be quite cold indeed," the meteorologist at the weather service responded.

So the Chief went back to his people and told them to collect even more wood in order to be prepared.

A week later, he called the National Weather Service again. "Is it going to be a very cold winter?"

"Yes," the man at National Weather Service again replied, "It's definitely going to be a very cold winter."

The Chief again went back to his people and ordered them to collect every scrap of wood they could find.

Two weeks later, he called the National Weather Service again. "Are you absolutely sure that the

winter is going to be very cold?"

"Absolutely," the man replied. "It's going to be one of the coldest winters ever."

"How can you be so sure?" the Chief asked.

The weatherman replied, "The Red Indians are collecting wood like crazy."

Paddy and Mick are walking home after a night on the piss. They've got no money to get a taxi and are staggering all over the place when they find themselves outside the bus depot.

Paddy has a brainwave and says to Mick "Get in there and steal a bus

so we can drive home and I'll stay out here and look out for police".

Mick duly breaks into the garage and is gone for twenty minutes while

Paddy is wondering what the hell he's doing.

Eventually Paddy sticks his head around the door and sees Mick

running from bus to bus and looking very worried

"What the hell are you doing Mick, get a move on!" to which Mick

replies:

"I can't find a number 7 anywhere Paddy" whereupon Paddy holding his

hands to his head in disbelief, shouts "You fucking idiot Mick, steal a

number 9 and we'll get off at the roundabout and walk the rest of the way!".

ah haaaa ! ...and you thought I'd gone.....

The standard of humour from those who clad themselves in rubber is displeasing to the armies of good, Brenda the tart in particular is not amused. To redress the balance, one from the Gaff archives.....

This bloke walks into the poshest restaurant in town and says, "Where's the god damn, mother fucking Manager you cock sucking arse wipe." The waiter is naturally taken aback and replies, "Excuse me, sir, but could you please refrain from using that sort of language in here, I will get the manager as soon as I can."

The manager comes over and the bloke asks, "Are you the chicken fucking manager of this bastard joint?". "Yes, sir, I am," replies the manager, "and I would prefer it if you could refrain from speaking such profanities in this, a private restaurant".

"Fuck off!" replies the bloke. "And where's the fucking piano?"

"Pardon?" says the manager.

"Fucking deaf as well are we? You little piece of sniveling shit, show us your pissing piano."

"Ahhhh," replies the manager. "You've come about the pianist's job," and shows the bloke to the piano. "Can you play any blues?"

"Of course I fucking can," and the bloke proceeds to play the most inspiring and beautiful sounding honky tonk blues that the manager has ever heard.

"Why, that's superb, what's it called?"

"I want to fuck your missus on the sofa but the springs keep hurting my knob," replies the pianist.

The manager is a bit disturbed and asks if the bloke knows any jazz. The bloke proceeds to play the most melancholy jazz solo the manager has ever heard.

"Magnificent!" cries the manager. "What's it called?"

"I wanted a wank over the washin' machine but my bollocks got caught in the soap drawer".

The manager is a tad embarrassed and asks if he knows any romantic ballads, the bloke then plays the most heartbreaking melody.

"And what's this called?" asks the manager.

"As I fuck you under the stars with the moonlight shining off your hairy ring-piece," replies the bloke.

The manager is highly upset by the bloke's language but offers him the job on condition that he doesn't introduce any of his songs or talk to any of the customers.

This arrangement works well for a couple of months until one night, sitting opposite him, is the most gorgeous blonde he has ever laid his eyes on. She's wearing an almost see through dress, her tits are almost falling out the top and the skimpy little 'G' string she's wearing is riding up the crack of her arse. She is sitting there with her legs slightly open, sucking suggestively on asparagus shoots and the butter is dripping down her chin! It's too much for the bloke and he runs off to the bogs to 'wrestle with his bald headed champ'. He's pulling away furiously when he hears the manager's voice...

"Where's that bloody pianist?"

He just has time to shoot his bolt and in a fluster he runs back to the piano, not having bothered to adjust himself properly, sits down and starts playing some more tunes. The blonde steps up and walks over to the piano, leans over and whispers in his ear:

"Do you know your knob and balls are hanging out your trousers and dripping spunk on your shoes?"

"Know it," the pianist replies, "I fucking wrote it!"

Two women friends, incredibly drunk and walking home got caught short. They were very near a graveyard and one of them suggested they do their business behind a head stone.

They had nothing to wipe with so one of them thought she'd take off her panties and use them, then throw them away. Her friend, however, was wearing a rather expensive underwear set and didn't want to ruin hers, but she was lucky enough to salvage a large ribbon from a wreath that was on one of the graves and proceeded to wipe herself with that. They then made off for home.

The next day one woman's husband phoned the other husband and said "We'd better keep an eye on our wives you

know, mine came home last night without her panties."

"That's nothing" said the other "Mine came back with a card stuck between her arse that said "From all the lads at the fire station. We'll never forget you."

Reasons Why Surfboards Are Better Than the Opposite Sex...

Surfboards curves never sag.

Surfboards last longer.

Surfboards don't get pregnant.

You can ride a Surfboards any time of the month.

Surfboards don't have in-laws.

Surfboards don't care about how many other surfboards you have ridden.

Surfboards don't care about how many other surfboards you have.

Boats don't mind if you look at other surfboards, or if you buy surfboard magazines.

If you say bad things to your surfboard, you don't have to apologise before you can ride it again.

You can ride a surfboard as long as you want and it won't get sore.

Surfboards don't care if you are late.

You don't have to take a shower before riding your surfboard.

You can't get diseases from a surfboard you don't know very well.

Many Chicago folks heard this on the WBAM FM morning show in Chicago.

The DJs play a game where they award winners great prizes. The game is called "Mate Match". The DJs call someone at work and ask if they are married or seriously involved with someone. If the contestant answers

"yes", he or she is then asked 3 random yet highly personal

questions. The person is also asked to divulge the name of their partner (with phone number) for verification. If their partner answers those same three questions correctly, they both win the prize.

One particular game, however, several months ago made the City of Big Shoulders drop to its knees with laughter and is possibly the funniest thing I've heard yet. Anyway, here's how it all went down:

DJ: "Hey! This is Edgar on WBAM. Have you ever heard of 'Mate Match'?" Contestant: (laughing) "Yes, I have."

DJ: "Great! Then you know we're giving away a trip to Orlando, Florida if you win. What is your name? First only please."

Contestant: "Brian."

DJ: "Brian, are you married or what?"

Brian: "Yes."

DJ: "Yes? Does that mean you're married or you're what?"

Brian: (laughing nervously) "Yes, I am married."

DJ: "Thank you. Now, what is your wife's name? First only please."

Brian: "Sara."

DJ: "Is Sara at work, Brian?"

Brian: "She is gonna kill me."

DJ: "Stay with me here, Brian! Is she at work?"

Brian: (laughing) "Yes, she's at work."

DJ: "Okay, first question - when was the last time you had sex?"

Brian: "She is gonna kill me."

DJ: "Brian! Stay with me here!"

Brian: "About 8 o'clock this morning."

DJ: "Atta boy, Brian."

Brian: (laughing sheepishly) "Well..."

DJ: "Question #2 - How long did it last?"

Brian: "About 10 minutes."

DJ: "Wow! You really want that trip, huh? No one would ever have said that if a trip wasn't at stake."

Brian: "Yeah, that trip sure would be nice."

DJ: "Okay. Final question. Where did you have sex at 8 o'clock this morning?"

Brian: (laughing hard) "I, ummm, I, well..."

DJ: "This sounds good, Brian. Where was it at?"

Brian: "Not that it was all that great, but her mom is staying with us for a couple of weeks..."

DJ: "Uh huh..."

Brian: "...and the Mother-In-Law was in the shower at the time."

DJ: "Atta boy, Brian."

Brian: "On the kitchen table."

DJ: "Not that great?? That is more adventure than the previous hundred times I've done it. Okay folks, I will put Brian on hold, get this wife's work number and call her up. You listen to this."

3 minutes of commercials follow.

DJ: "Okay audience; let's call Sarah, shall we?"

touch tones.....ringing.....)

Clerk: "Kinko's."

DJ: "Hey, is Sarah around there somewhere?"

Clerk: "This is she."

DJ: "Sarah, this is Edgar with WBAM. We are live on the air right now and I've been talking with Brian for a couple of hours now."

Sarah: (laughing) "A couple of hours?"

DJ: "Well, a while now. He is on the line with us. Brian knows not to give any answers away or you'll lose. Sooooooo... do you know the rules of

'Mate Match'?"

Sarah: "No."

DJ: "Good!"

Brian: (laughing)

Sarah: (laughing) "Brian, what the hell are you up to?"

Brian (laughing) "Just answer his questions honestly, okay? Be completely honest."

DJ: "Yeah yeah yeah. Sure. Now, I will ask you 3 questions, Sarah. If your answers match Brian's answers, then the both of you will be off to

Orlando, Florida for 5 days on us. Disney World. Sea World. Tickets to the

Magic's game. The whole deal. Get it Sarah?"

Sarah: (laughing) "Yes."

DJ: "Alright. When did you last have sex, Sarah?"

Sarah: "Oh God, Brian....uh, this morning before Brian went to work."

DJ: "What time?"

Sarah: "Around 8 this morning."

DJ: "Very good. Next question. How long did it last?"

Sarah: "12, 15 minutes maybe."

DJ: "Hmmm. That's close enough. I am sure she is trying to protect

his

manhood. We've got one last question, Sarah. You are one question away

from a trip to Florida. Are you ready?"

Sarah: (laughing) "Yes."

DJ: "Where did you have it?"

Sarah: "OH MY GOD, BRIAN!! You didn't tell them that did you?"

Brian: "Just tell him, honey."

DJ: "What is bothering you so much, Sarah?"

Sarah: "Well..."

DJ: Come on Sarah.....where did you have it?

A woman meets a gorgeous man in a bar.

They talk, they connect, they end up leaving together.

They get back to his place, and as he shows her around his apartment, she notices that his bedroom is completely packed with sweet cuddly teddy bears.

Hundreds of cute small bears on a shelf all the way along the floor, cuddly medium-sized ones on a shelf a little higher, and huge enormous bears on the top shelf along the wall.

The woman is surprised that this guy would have a collection of teddy bears, especially one that's so extensive, but she decides not to mention this to him, and actually is quite impressed by his sensitive side. She turns to him... they kiss... and then they rip each other's clothes off and make hot steamy love.

After an intense night of passion with his sensitive guy, they are lying there together in the afterglow, the woman rolls over and asks, smiling,

"Well, how was it?"

The guy says

"Help yourself to any prize from the bottom shelf."

The Inland Revenue sent their auditor to a synagogue. The auditor is doing all the usual checks, and then turns to the Rabbi and says "I notice that you buy a lot of candles."

"Yes" answered the Rabbi. "Well, what do you do with the candle drippings?"

The auditor asked.

"A good question" noted the Rabbi "We actually save them up, and when we have enough, we send them back to the candle maker. Every now and again, the

candle maker sends us a free box of candles."

"Oh" replied the auditor, somewhat disappointed that his unusual question actually had a practical answer. He decided to try again ... "Well what about all these Matzo purchases? You must gather lots of crumbs from all that bread, so what do you do with it?"

"Ah yes" replied the Rabbi, unperturbed, "we actually collect up all the crumbs from the matzo. Once we have enough, we send them in a box to the manufacturer, and every once in a while, they send us a box of matzo balls."

"Oh" replied the auditor, thinking hard about how to fluster the Rabbi.

"Well tell me this, then, Rabbi" he continued "what do you do with all the foreskins from the circumcisions?"

"Yes, here too we do not waste" replied the Rabbi. "What we do is save up all the foreskins, and when we have enough we parcel them up and actually send them to the Inland Revenue."

"What?!! Inland Revenue?!?" Questioned the auditor in disbelief.

"Yes" replied the Rabbi, "Inland Revenue... and in return, about once a year, they send us a little prick like you."

"I'm a hit man," was the reply.

"You're joking!" was the response.

"That's a beautiful telescopic sight," said the other friend, "Can I take a look? I think I might be able to see my house from here."

"Yeah, I can see my house all right. This sight is fantastic. I can see right in the window... Wow, I can see my wife in the

"Can you do two for me now?"

"Sure, what do you want?"

"First, shoot my wife. She's always been a bit mouthy, so shoot her in the mouth. Then the neighbour, he's a mate of mine, a bit of a lad, so just shoot his dick off to teach him a lesson."

Martin Johnson, Richard Hill and Johnny Wilkinson are standing before God at the throne of Heaven. God looks at them and says; "before granting you a place at my side, I must first ask you what you believe in."

Addressing Johnson first he asks, "what do you believe?" Johnson looks God in the eye and states passionately, "I believe Rugby to be the food of life. Nothing else brings such unbridled joy to so many people from the grim North to the bright lights of Twickenham. I have devoted my life to bring such joy to people who stood on the terraces supporting their club." God looks up and offers Johnson the seat to his left.

He then turns to Hill, "and you, Dicky, what do you believe?" Hill stands tall and proud, "I believe courage, honour and passion are the fundamentals to life and I've spent my whole playing career providing a living embodiment of these traits." God, moved by the passion of the speech offers Hill the seat to his right.

Finally, he turns to Wilkinson, "and you, Johnny, what do you believe?" "I believe..." says Wilkinson "...you're sitting in my seat."

And just to get us all in the festive spirit...

Three men died on Christmas Eve and were met by Saint Peter at the pearly gates.

"In honour of this holy season," Saint Peter said, "you must each possess something that symbolizes Christmas to get into heaven."

The first man fumbled through his pockets and pulled out a lighter. He flicked it on. It represents a candle, he said.

"You may pass through the Pearly Gates" Saint Peter said.

The second man reached into his pocket and pulled out a set of keys. He shook them and said, "They're bells" . Saint Peter said "You may also pass through the pearly gates".

The third man started searching desperately through his pockets and finally pulled out a pair of women's panties.

St. Peter looked at the man with a raised eyebrow and asked, "And just what do those symbolize?"

The man replied, "They're Carol's".

There was this bloke just about to throw himself off the wall by the Pier Head and into the Mersey when an old chap in a bright red suit with a big bushy white beard comes along and says " Whats the matter son ?"

The bloke replies " I just can't carry on any more. Today I got the sack for no reason, I found out my wife is having an affair with my best mate and on top of all that some bastard has pinched all my windsurfing kit ! So I've decided to end it all by throwing myself in the river."

The old chap says " Come on son surely it's not that bad."

" Bloody hell, my board was only 3 months old and I've only been out on it twice 'coz the wind has been crap lately. Anyway why do you care ? "

The old chap says " Well I do care because I'm Father Christmas. Tell you what I'll sort it all out for you as an early christmas present."

He then snaps his fingers and says " There I've sorted your job out for you. When you go back to work your boss will call you over and tell you that you are so good at your job that he is promoting you to manager, doubling your wages and giving you a top of the range company car. Does that make you feel any better ?"

"A bit" the bloke replies.

The old chap snaps his fingers again. " And your wife has now finished her affair. She now thinks that you are a god and will do anything for you from now on and will never look at another man again. How's that ? "

"Yea feeling a bit better"

Then the old chap snaps his fingers again. " Now when you get home you will find a brand new JP 75 wave board and 4.5m rig. Don't worry that will be all that you will need because I've fixed the wind so it will always blow 25kts SSW every time you've got a day off. Now how do you feel ? "

" Wow Father Christmas I feel on top of the world and I've got everything to live for now. Thanks very much. Is there anything I can do for you ? "

"There is one small favour you could do for me. "

"Anything you like. "

" Well if you wouldn't mind dropping your kecks and bending over that would make me very happy "

The bloke hesitates and then says " O.K. Father Christmas thats the least I can do, you've given me all I could ever wish for. "

He then drops his pants and bends over and the old chap gets stuck in and gives him a propper seeing to.

When he's finished he asks the bloke " How old are you son ? "

The bloke replies "36"

Then the old chap says " 36 huh - and you still believe in Father Christmas ! "

An Irish man goes for a job interview.

"Ok" says the interviewer, "Answer me these three questions, and you have the position. To make it easier, go away and think about the answers, and then come back tomorrow".

1. "How many days in the week begin with the letter 'T'?"

2. "How many seconds are there in a year?"

3. "What is the real name of Christ?"

The next day, the Irish man returns and answers his three questions.

"The first answer is two, so it is" says the Irish man. "Very good, what are they?" asks the interviewer. "Why they'll be today and tomorrow".

A little bemused the interviewer continues "And the second answer?"

"12." says the Irish man. "2nd of January, 2nd of February, 2nd of March, 2nd of April..."

"And your answer for the final question?" asks the interviewer.

"Alled" shouts the proud Irish man.

"Alled? How the hell did you get that?" says the interviewer.

"Our father, who art in heaven, Alled be thy name..."

"And what is your question, Billy?"

"I have 3 questions. First, why did the USA invade Iraq without the support of the UN? Second, why are you President when Al Gore got more votes? And third, whatever happened to Osama Bin Laden?"

Just then the bell rings for recess. George Bush informs the kiddies that they will continue after recess. When they resume George says,

Three Scousers and three Mancs are travelling by train to a football Match
in London

At the station, the three Mancs each buy a ticket and watch as the three
Scousers buy just one ticket between them.

"How are the three of you going to travel on only one ticket?" asks one of
the Mancs.

"Watch and learn," answers one of the Scousers. They all board the train.
The Mancs take their respective seats but all three Scousers cram into a
toilet and close the door behind them.

Shortly after the train has departed, the conductor arrives to collect the tickets. He knocks on the toilet door and says, "Ticket please."

The door opens just a crack and a single arm emerges with a ticket in hand. The conductor takes it and moves on. The Mancs are mightily impressed by this, so after the game, they decide to copy the Scousers on the return trip and save some money.

When they get to the station, they buy a single ticket for the return trip...To their astonishment, the Scousers don't buy a ticket at all !!

"How are you going to travel without a ticket?" asks one perplexed Mancunian. Watch and learn..." says one Scouser.

When they board the train the three Mancs cram into a toilet and soon after the three Scousers pile into another nearby.

The train departs. Shortly afterwards, one of the Scousers leaves the toilet and sneaks across to the toilet where the Mancs are hiding.

He knocks on the door and says, "Ticket please..."

An elderly Irishman lay dying in his bed...

While suffering the agonies of impending death, he suddenly smelt the aroma of his favourite cheese scones wafting up the stairs..

He gathered his remaining strength, and lifted himself from the bed..

Leaning against the wall, he slowly made his way out of the bedroom, and with even greater effort, gripping the railing with both hands, he cralled downstairs..

With laboured breath, he leaned against the door frame, gazing into the kitchen...Were it not for death's agony, he would have thought himself already in heaven, for here, spread out upon the waxed paper on the kitchen table were dozens of his favourite cheese scones..

Was it heaven ?

Or was it one final act of heroic love from his devoted Irish wife of sixty years, seeing to it that he left this world a happy man?

Mustering one great final effort, he threw himself towards the table, landing on his knees in a rumped posture..

His lips parted, he could almost taste the cheese scone before it was in his mouth, seemingly bringing him back to life..

The aged and withered hand trembled on it's way to the nearest scone at the edge of the table, when his hand was suddenly smacked with a spatula by his wife.

'Feck off!!!' she said, 'they're for your funeral!!!'

Did you hear about the blonde who jumped out off a bridge?

She was clinically depressed and took her own life because of her terribly low self-esteem.

What do you call a cat with no tail?

A Manx cat.

Why do undertakers wear ties?

Because their profession is very serious, and it is important that their appearance has a degree of gravitas.

Two men are sitting in a pub.

One man turns to the other and says: 'Last night I saw lots of strange men coming in and out of your wife's house.'

He sits down and sees his clothing in front of him, all clean and pressed. Marty looks round the room and sees that it is in perfect order, spotless, clean. So is the rest of the house.

He takes the aspirin s and notices a note on the table. "Honey, breakfast is on the stove, I left early to go shopping. Love You!"

So he goes to the kitchen and sure enough there is a hot breakfast and the morning newspaper. His son is also at the table, eating. Marty asks, "Son, what happened last night?"

His son says, "Well, you came home around 3 AM, drunk and delirious. Broke some furniture, puked in the hallway, and gave yourself a black eye when you stumbled into the door."

Confused, Marty asks, "So, why is everything in order and so clean, and breakfast is on the table waiting for me?"

His son replies, "Oh, that! Mom dragged you to the bedroom, and when she tried to take your pants off, you said, "Lady leave me alone! I'm married!"

Bloke and his missus are out playing golf when they get to the par three third. The wife tees up and gets a lovely shot straight onto the edge of the green. The bloke on the other hand hooks his shot to the left where it bounces and ends up inside a shed at the side of the fairway.

When they find his ball the bloke is a bit pissed off and says to his wife he will have to drop the ball outside and loose a shot but she points out that there is a big gap in the end of the shed and he should be able to play the ball straight through the hole and back onto the fairway. So he decides to give it a go.

Unfortunately when he hits the ball it catches the side of the hole and ricochets out sideways and hits his wife right

between the eyes and kills her stone dead.

About six weeks later he is playing golf with his best mate when exactly the same thing happens. His mate suggests he could easily play the ball through the hole to which he replies "no way! Last time I tried that it cost me 6 shots on this hole."

An English couple, an Iris couple and a Scottish couple head out for a round of golf on a windy day.

The Englishman's wife steps up to the tee and, as she bends over to place her ball, a gust of wind blows her skirt up and reveals her lack of underwear. "Good God, woman! Why aren't you wearing any knickers?" her husband demanded. "Well, you don't give me enough housekeeping money to afford any." The Englishman immediately reaches into his pocket and says, "For the sake of decency, here's 50. Go and buy yourself some underwear."

Next, the Irishman's wife bends over to set her ball on the tee. Her skirt also blows up to show that she is wearing no undies. "Blessed Virgin Mary, woman! You've no knickers. Why not?" She replies, "I can't afford any on the money you give me." He reaches into his pocket and says, "For the sake of decency, here's 20. Go and buy yourself some underwear!"

Lastly, the Scotsman's wife bends over. The wind also takes her skirt over her head to reveal that she, too, is naked under it. "Sweet mudder of Jesus, Aggie! Where the frig are yer drawers?" She too explains, "You dinna give me enough money ta be able ta affarrd any." The Scotsman reaches into his pocket and says, "Well, fer the love 'o Jasus, 'n the sake of decency, here's a comb. Quote:You know that look that women get when they want sex?

SEXUAL OBJECTS

SWISS ARMY KNIFE - male, because even though it appears useful for a wide variety of work, it spends most of its time just opening bottles.

KIDNEYS - female, because they always go to the bathroom in pairs.

SHOE - male, because it is usually unpolished, with its tongue hanging out.

COPIER - female, because once turned off, it takes a while to warm up. Because it is an effective reproductive device when the right buttons are pushed. Because it can wreak havoc when the wrong buttons are pushed.

TYRE - male, because it goes bald and often is over inflated.

HOT AIR BALLOON - male, because to get it to go anywhere you have to light a fire under it... and, of course, there's the hot air part.

SUBWAY - male, because it uses the same old lines to pick people up.

HOURGLASS - female, because over time, the weight shifts to the bottom.

HAMMER - male, because it hasn't evolved much over the last 5,000 years, but it's handy to have around.

REMOTE CONTROL - female... Ha! You thought I'd say male. But consider it gives a man pleasure, he'd be lost without it, and while he doesn't always know the right buttons to push, he keeps trying.

Two Scousers are riding along the M62 from Manchester to Liverpool on a motorbike. They break down and start hitching a lift. A friendly trucker stops to see if he can help and the scousers ask him for a lift.

He tells them that he has no room in the wagon as he is carrying 20,000 bowling balls but will take a look at the bike for them. He tries everything he knows but is unable to repair it.

Time is getting on now and he's late for his delivery so he tells the scousers he has to leave.

The scousers put it to the driver that if they can manage to fit in the back with the 20,000 bowling balls, will he take them, so he agrees.

They manage to squeeze themselves and their motorbike into the back of the wagon so the driver shuts the doors and gets off on his way.

By this time he is really late and so puts his foot down. Sure enough PC Plod of Greater Manchester Police pulls him up for speeding.

The good officer asks the driver what he is carrying to which he replies with sarcasm " Scouse eggs".

The policeman obviously doesn't believe this so wants to take a look. He opens the back door and quickly shuts it and locks it.

He rushes back to his cruiser and gets onto his radio and calls for immediate backup from as many officers as possible. The dispatcher asks what emergency he has that he requires so many officers.

White Foragers Report Threat Of Black Looters

NEW ORLEANS—Throughout the Gulf Coast, Caucasian suburbanites attempting to gather food and drink in the shattered wreckage of shopping districts have reported seeing African-Americans "looting snacks and beer from damaged businesses." "I was in the abandoned Wal-Mart gathering an air mattress so I could float out the potato chips, beef jerky, and Budweiser I'd managed to find," said white survivor Lars Wrightson, who had carefully selected foodstuffs whose salt and alcohol content provide protection against contamination. "Then I look up, and I see a whole family of going straight for the booze. Hell, you could see they had already looted a fortune in diapers." Radio stations still in operation are advising store owners and white people in the affected areas to locate firearms in sporting-goods stores in order to protect themselves against marauding blacks looting gun shops.

The following is an actual question given on a University of Washington Chemistry mid term. The answer was so "profound" that the professor shared it with colleagues, which is why we now have the pleasure of enjoying it as well.

BONUS QUESTION: IS HELL EXOTHERMIC (GIVES OFF HEAT) OR ENDOTHERMIC (ABSORBS HEAT)?

Most of the students wrote proofs of their beliefs using Boyle's law (gas cools off when it expands and heats up when it is compressed), or some variant. One student, however, wrote the following:

First, we need to know how the mass of Hell is changing in time. So we need to know the rate that souls are moving into Hell and the rate they are leaving. I think that we can safely assume that once a soul goes to Hell, it will not leave. Therefore, no souls are leaving.

As for how many souls are entering Hell, let's look at the different religions that exist in the world today. Some of these religions state that if you are not a member of their religion, you will go to Hell. Since there are more than one of these religions and since people do not belong to more than one religion, we can project that all souls go to Hell.

With birth and death rates as they are, we can expect the number of souls in Hell to increase exponentially.

Now, we look at the rate of change of the volume in Hell because Boyle's Law states that in order for the temperature and pressure in Hell to stay the same, the volume of Hell has to expand as souls are added. This gives two possibilities:

1. If Hell is expanding at a slower rate than the rate at which souls enter Hell, then the temperature and pressure in Hell will increase until all Hell breaks loose.
2. Of course, if Hell is expanding at a rate faster than the increase of souls in Hell, then the temperature and pressure will drop until Hell freezes over.

So which is it? If we accept the postulate given to me by Ms. Teresa Banyan during my Freshman year, "...that it will be a cold day in Hell before I sleep with you", and take into account the fact that I still have not succeeded in having sexual relations with her, then #2 cannot be true, and thus I am sure that Hell is exothermic, and will not freeze.

NEW ELEMENT DISCOVERED !!!

A major research institution has recently announced the discovery of the heaviest element yet known to science. The new element has been named "Governmentium." Governmentium has 1 neutron, 12 deputy neutrons, 75 assistant neutrons, and 224 deputy assistant neutrons, giving it an atomic mass of 312.

These 312 particles are held together by forces called morons, which are surrounded by vast quantities of lepton-like particles called peons. Since Governmentium has no protons or electrons, it is inert. However, it can be detected, because it impedes every action with which it comes into contact.

A minute amount of Governmentium causes a reaction to take 4 days to complete, when it would normally take less than a second. Governmentium has a normal half-life of 4 years. It does not decay, but instead undergoes a reorganization in which a portion of the assistant neutrons and deputy neutrons exchange places. In fact, governmentium's mass will actually increase over time since each reorganization will cause more morons to become neutrons, forming isodopes.

This characteristic of moron promotion leads some scientists to believe that Governmentium is formed whenever morons reach a certain quantity in concentration. This hypothetical quantity is referred to as "Critical Morass." When catalyzed with money, Governmentium becomes Administratium, an element that radiates just as much energy as Governmentium since it has half as many peons but twice as many morons.....

Joke of the day

Not a joke as such but quite funny all the same - especially if true !

According to the story, after every Qantas Airlines flight the pilots complete a 'gripe sheet' report, which conveys to the ground crew engineers any mechanical problems on the aircraft during the flight. The engineer reads the form, corrects the problem, then writes details of action taken on the lower section of the form for the pilot to review before the

next flight. It is clear from the examples below that ground crew engineers have a keen sense of humour - these are supposedly real extracts from gripe forms completed by pilots with the solution responses by the engineers. Incidentally, Qantas has the best safety record of all the world's major airlines.

(P = The problem logged by the pilot. S = The solution and action taken by the mechanics.)

P: Left inside main tyre almost needs replacement

S: Almost replaced left inside main tyre

P: Test flight OK, except auto-land very rough

S: Auto-land not installed on this aircraft

P: Something loose in cockpit

S: Something tightened in cockpit

P: Dead bugs on windshield

S: Live bugs on back-order

P: Autopilot in altitude-hold mode produces a 200 feet-per-minute descent

S: Cannot reproduce problem on ground

P: Evidence of leak on right main landing gear

S: Evidence removed

P: DME volume unbelievably loud

S: DME volume set to more believable level

P: Friction locks cause throttle levers to stick

S: That's what they're there for

P: IFF inoperative

S: IFF always inoperative in OFF mode

P: Suspected crack in windshield

S: Suspect you're right

P: Number 3 engine missing - (Apparently referring to old piston engined plane)

S: Engine found on right wing after brief search

P: Aircraft handles funny

S: Aircraft warned to straighten up, fly right, and be serious

P: Target radar hums

S: Reprogrammed target radar with lyrics

P: Mouse in cockpit

S: Cat installed

P: Noise coming from under instrument panel. Sounds like a midget pounding on something with a hammer

S: Took hammer away from midget

Nelson: "Order the signal, Hardy."

Hardy: "Aye, aye sir."

Nelson: "Hold on, that's not what I dictated to Flags. What's the meaning of this?"

Hardy: "Sorry sir?"

Nelson (reading aloud): "England expects every person to do his or her duty, regardless of race, gender, sexual

orientation, religious persuasion or disability." "What gobbledegook is this?"

Hardy: "Admiralty policy, I'm afraid, sir. We're an equal opportunities employer now. We had the devil's own job getting 'England' past the censors, lest it be considered racist."

Nelson: "Gadzooks, Hardy. Hand me my pipe and tobacco."

Hardy: "Sorry sir. All naval vessels have now been designated smoke-free working environments."

Nelson: "In that case, break open the rum ration. Let us splice the main brace to steel the men before battle."

Hardy: "The rum ration has been abolished, Admiral. Its part of the Government's policy on binge drinking."

Nelson: "Good heavens, Hardy. I suppose we'd better get on with it

full speed ahead."

Hardy: "I think you'll find that there's a 4 knot speed limit in this stretch of water."

Nelson: "Damn it man! We are on the eve of the greatest sea battle in history. We must advance with all dispatch. Report from the crow's nest please. "

Hardy: "That won't be possible, sir."

Nelson: "What?"

Hardy: "Health and Safety have closed the crow's nest, sir. No harness. And they said that rope ladders don't meet regulations. They won't let anyone up there until a proper scaffolding can be erected."

Nelson: "Then get me the ship's carpenter without delay, Hardy."

Hardy: "He's busy knocking up a wheelchair access to the fo'c'sle Admiral."

Nelson: "Wheelchair access? I've never heard anything so absurd."

Hardy: "Health and safety again, sir. We have to provide a barrier-free environment for the differently abled. "

Nelson: "Differently abled? I've only one arm and one eye and I refuse even to hear mention of the word. I didn't rise to the rank of admiral by playing the disability card."

Hardy: "Actually, sir, you did. The Royal Navy is under represented in the areas of visual impairment and limb deficiency."

Nelson: "Whatever next? Give me full sail. The salt spray beckons."

Hardy: "A couple of problems there too, sir. Health and safety won't let the crew up the rigging without hard hats. And they don't want anyone breathing in too much salt - haven't you seen the adverts?"

Nelson: "I've never heard such infamy. Break out the cannon and tell the men to stand by to engage the enemy."

Hardy: "The men are a bit worried about shooting at anyone, Admiral."

Nelson: "What? This is mutiny!"

Hardy: "It's not that, sir. It's just that they're afraid of being charged with murder if they actually kill anyone. There are a couple of legal-aid lawyers on board, watching everyone like hawks."

Nelson: "Then how are we to sink the Frenchies and the Spanish?"

Hardy: "Actually, sir, we're not."

Nelson: "We're not?"

Hardy: "No, sir. The French and the Spanish are our European partners now. According to the Common Fisheries Policy, we shouldn't even be in this stretch of water. We could get hit with a claim for compensation."

Nelson: "But you must hate a Frenchman as you hate the devil."

Hardy: "I wouldn't let the ship's diversity co-ordinator hear you saying that sir. You'll be up on disciplinary report."

Nelson: "You must consider every man an enemy, who speaks ill of your King."

Hardy: "Not any more, sir. We must be inclusive in this multicultural age. Now put on your Kevlar vest; it's the rules. It could save your life"

Nelson: "Don't tell me - health and safety. Whatever happened to rum, sodomy and the lash?"

Hardy: As I explained, sir, rum is off the menu! And there's a ban on corporal punishment."

Nelson: "What about sodomy?"

Hardy: "I believe that is now legal, sir."

Nelson: "In that case ...kiss me, Hardy."

"Michael, if you were on a date, having dinner with a nice young lady, how would you tell her that you have to go to the restroom?" the teacher asked.

"Just a minute, I have to go pee," he said.

The teacher replied, "That would be rude and impolite. What about you, Paul, how would you say it?"

"I am sorry, but I really need to go to the bathroom. I'll be right back."

The teacher responded, "That's better, but it's still not very mannerly to say the word 'bathroom' at the table."

"And you, Johnny, are you able to use your intelligence for once and show us your good manners?"

I would say, "Darling, may I please be excused for a moment. I have to shake hands with a very dear friend of mine, whom I hope you'll get to meet after dinner."

Next time you have a bad day at work ... think of this guy. Rob is a commercial saturation diver for Global Divers in Louisiana. He performs underwater repairs on offshore drilling rigs. Below is an E-mail he sent to his sister. She then sent it to radio station 103.2 on FM dial in Ft. Wayne, Indiana, who was sponsoring a worst job experience contest. Needless to say, she won.

Hi Sue, Just another note from your bottom-dwelling brother.

Last week I had a bad day at the office. I know you've been feeling down lately at work, so I thought I would share my dilemma with you to make you realize it's not so bad after all. Before I can tell you what happened to me, I first must bore you with a few technicalities of my job. As you know, my office lies at the bottom of the sea. I wear a suit to the office. It's a wetsuit. This time of year the water is quite cool. So what we do to keep warm is this: We have a diesel powered industrial water heater. This \$20,000 piece of equipment sucks the water out of the sea. It heats it to a delightful

temperature. It then pumps it down to the diver through a garden hose, which is taped to the air hose. Now this sounds like a darn good plan, and I've used it several times with no complaints. What I do, when I get to the bottom and start working, is take the hose and stuff it down the back of my wetsuit. This floods my whole suit with warm water. It's like working in a Jacuzzi. Everything was going well until all of a sudden, my butt started to itch. So, of course, I scratched it. This only made things worse. Within a few seconds my butt started to burn. I pulled the hose out from my back, but the damage was done. In agony I realized what had happened.

The hot water machine had sucked up a jellyfish and pumped it into my suit.

Now, since I don't have any hair on my back, the jellyfish couldn't stick to it. However, the crack of my butt was not as fortunate. When I scratched what I thought was an itch, I was actually grinding the jellyfish into the crack of my butt. I informed the dive supervisor of my dilemma over the communicator. His instructions were unclear due to the fact that he, along with five other divers, were all laughing hysterically. Needless to say I aborted the dive. I was instructed to make three agonizing in-water decompression stops totaling thirty-five minutes before I could reach the surface to begin my chamber dry decompression. When I arrived at the surface, I was wearing nothing but my brass helmet. As I climbed out of the water, the medic, with tears of laughter running down his face, handed me a tube of cream and told me to rub it on my butt as soon as I got in the chamber. The cream put the fire out, but I couldn't poop for two days because my butt was swollen shut.

So, next time you're having a bad day at work, think about how much worse it would be if you had a jellyfish shoved up your butt. Now repeat to yourself, "I love my job, I love my job, I love my job."

Now whenever you have a bad day, ask yourself, is this a jellyfish bad day?

May you NEVER have a jellyfish bad day!!!!

A couple of old age pensioners went into a supermarket for thier weekly shop but on the way out the woman gets stopped by the security guard who discovers a tin of peaches under her coat. She pleads with the securtity guard to let her go as she is a poor pensioner who only wanted to give her husband a rare treat of tinned peaches after his tea but the security guard explained that there was nothing he could do as she had been caught on CCTV and the supermarket always prosecuted shoplifters.

Next day she is up before the magistrate for shoplifting and he says he is going to impose a fine of £30. The old woman pleads poverty and says she can't afford the fine so the magistrate proposes that the tin of peaches should be opened and for every peach in the tin the old woman will be sent to prisson for one day.

She reluctantly accepts the magistrates judgement and the tin of peaches is opened and the magistrate counts out 5 peaches.

As the magistrate is pronouncing the sentence of 5 days in prison the old womans husband shouts out from the back of the court "She also pinched a tin of peas and a tin of beans your honour!"

Advice for the ladies in our lives.....

If you think you might be fat, you are. Don't ask us. Just get your arse in a gym.

Learn to work the toilet seat: if it's up, put the bloody thing down.

Don't cut your hair. Ever. It causes arguments when we comment on it.

Birthdays, Valentines, and Anniversaries are not quests to see if we can find the perfect present.....again

If you ask a question you don't want an answer to, expect an answer you don't want to hear.

Sometimes, we're not thinking about you. Live with it.

Saturday = Sport. Let it be.

Shopping is not a sport.

Anything you wear is fine. Really.

Crying is blackmail. Use it if you must, but don't expect us to respond to it.

Ask for what you want. Subtle hints don't work.

Yes, peeing standing up is more difficult than peeing from point blank range. We're bound to miss sometimes.

Most blokes own two to three pairs of shoes, so what makes you think we'd be any good at choosing which pair, out of thirty, would look good with your dress?

'Yes', 'No' and 'Mmm' are perfectly acceptable answers.

A headache that lasts for 17 months is a problem. See a doctor.

Your Mum doesn't have to be our best friend.

Check your oil. It is an essential part of the car.

The relationship is never going to be like it was the first two months we were going out.

Don't fake orgasms. We'd rather be ineffective than deceived.

Anything we said 6 or 8 months ago is inadmissible in an argument. All comments become null and void after 7 days.

Telling us that the models in the men's magazines are airbrushed makes you look jealous and petty and it's certainly not going to deter us from reading them.

The male models with the great bodies you see in magazines are all faggots.

If something we said could be interpreted two ways, and one of the ways makes you sad and angry, we meant the other one.

Let us ogle. If we don't look at other women, how can we rate how pretty you are?

Whenever possible, please say whatever you have to say during the commercials.

Women wearing Wonderbras, low-cut blouses, tight tops, no jackets, chest level logo'd t-shirts etc..., lose their right to complain about having their boobs stared at.

When we are in bed and look tired this means that we are tired and does not mean that we want to discuss the relationship.

If you want some dessert after a meal - have some. You don't have to finish it. You can just taste it if you like but don't say "No, I couldn't/shouldn't/don't want any" and then eat half of mine.

Dieting doesn't work without exercise.

If you're on a diet it doesn't mean my meals should be rabbit food as well. A man's four essential food groups are: white meat, red meat, cold beer and cold beer. Please ensure all meals contain a good balance of the above in good quantities - everything else falls under the category 'garnish'.

Do not question our sense of direction.

A guy is in the market for a used motorcycle. He always wanted a big Harley. One day he comes across a beautiful classic Harley with a for sale sign on it. He inquires about it with the owner."This bike is beautiful! I'll take it. But you gotta tell me how you keep it in such good shape.

"Well," says the seller, "it's pretty simple. Just make sure that if the bike is outside and it's going to rain, rub Vaseline on the chrome.

That night, he decides to ride the bike over to his girlfriend's parents' house.

"Honey," she says, "I gotta tell you something. When we eat dinner, we don't talk. the person who says anything during dinner has to do the dishes."

Right smack in the middle of the living room is a huge stack of dirty dishes. In the family room, another huge stack of dishes. Piled up the stairs, dirty dishes. In fact, everywhere he looks, dirty dishes. They sit down to dinner and, sure enough, no one says a word.

As dinner progresses, the boyfriend decides to take advantage of the situation. So he leans over and kisses his girlfriend. No one says a word. So he decides to reach over and fondle her breasts. He looks at her parents, but still they keep quiet.

"Her Mom's kinda cute", he thinks. So he grabs his girlfriend's Mom and has his way with her right there on the dinner table. Again, total silence.

Then, a few raindrops hit the window and the boyfriend realizes it's starting to rain. He figures he'd better take care of the motorcycle, so he pulls the Vaseline from his pocket.

Suddenly the father stands up and shouts: "All right, all right! I'll do the damn dishes."

A hippie gets onto a bus and sits next to a nun in the front seat. The hippie looks over and asks the nun if she would have sex with him.

The nun, surprised by the question, politely declines and gets off at the next stop. When the bus starts again, the bus driver says to the hippie, "If you want, I can tell you how you can get that nun to have sex with you."

The hippie of course says that he'd love to know, so the bus driver tells him that every Tuesday evening at midnight the nun goes to the cemetery to pray to the lord. "If you went dressed in robes and some glowing powder," says the bus driver, "You could tell her you were God and command her to have sex with you."

The hippie decides to try this out. That Tuesday, he goes to the cemetery and waits for the nun. Right on schedule, the nun shows up. While she's in the middle of praying, the hippie walks out from hiding, in robes and glowing with a mask of god. "I am God, I have heard your prayers and I will answer them but you must have sex with me first," he says.

The nun agrees but asks for anal sex so she might keep her virginity. The hippie agrees to this and quickly sets about having sex with the nun.

After the hippie finishes, he rips off his mask and shouts out, "Ha ha, I'm the hippie! "

The nun replies by whipping off her mask and shouting, "Ha ha, I'm the bus driver!"

A pub landlord is shutting up for the night when there is a knock at the door. When he answers, a Tramp asks him for a tooth-pick. He gives him the toothpick and the tramp goes off.

A few minutes later there is a second knock. When he answers, there is a second Tramp who also asks for a toothpick. He gets his toothpick and off he goes.

There is a third knock at the door, and a third Tramp. The landlord says, "Don't tell me, you want a toothpick too."

"No, a straw," says the Tramp.

The landlord gives him a straw but is curious as to why he wants it, so he asks the Tramp why he wants a straw and not a toothpick.

To which the Tramp replies, "Some bloke just threw up outside but all the good stuff's gone already".

Well it's been rather quiet with the wind and also on the forums so thought I might resurect this one so here goes.

Yesterday I was at my local sainsbury's buying a large bag of Pedigree Complete dog food for my loyal pet and was in the checkout queue when a woman behind me asked if I had a dog.

What did she think I had, an elephant? So, since I'm retired and have little to do, on impulse I told her that no, I didn't have a dog, I was starting the Pedigree Diet again. I added that I probably shouldn't, because I ended up in hospital last time, but that I'd lost 2 stones before I woke up in intensive care with tubes coming out of most of my orifices and IVs in both arms.

I told her that it was essentially a perfect diet and that the way that it works is to load your pockets with Pedigree nuggets and simply eat one or two every time you feel hungry. The food is nutritionally complete so it works well and I was going to try it again. (I have to mention here that practically everyone in queue was now enthralled with my story.) Horrified, she asked me if I ended up in intensive care because the dog food poisoned me. I told her no, I stepped off a curb to sniff an Irish Setter's arse and a car hit us both.
