---

Don't miss out! The National Windsurfing Festival will take place on 7-9th September at Hayling Island, Hampshire.

• How about a road trip? (Free camping for entrants!)

• Enter a team!

• Try simple, out-and-back "Master Blaster" Racing, especially for intermediates!

This is the only festival designed specifically for intermediate-standard windsurfers.

For more information, online entry or tickets for the incredible beach parties, see [www.nationalwindsurfingfestival.com](http://www.nationalwindsurfingfestival.com) or the NWF Facebook page.
