The 29th April will be the opening day of the season at the Poole Windsurfing school and we will have some excellent windsurf equipment from Goya, RRD, Amex & Billabong ready to be used by those who book early for windsurfing lessons and windsurf hire.

Poole Windsurfing is a dedicated windsurf school with 20 years teaching experience, offering windsurfing lessons & windsurf equipment hire in Poole Harbour. Instruction using the latest equipment & competitive prices.

It is the perfect time to start learning how to windsurf or get back into the sport after the winter, giving you the whole summer to progress your skills. The water temperatures are just starting to warm up by then and the days are getting longer, making it a more enjoyable experience to get out there on the water.

During the coming season all types of windsurfing lessons will be running, from beginner and intermediate windsurfing courses through to advanced lessons and private windsurf tuition. Also, Poole Windsurfing will continue to offer their ever popular windsurf hire scheme where you can pay by the hour or take advantage of a discounted 10 hour hire card that you use during the course of the summer season.
