## Sail Repairs

Posted by WindyJohn - 2003/06/20 13:45

---

If anyone needs a sail that requires a new panel or two then you can leave the sail at D-Spot to be fixed by Neil from Surf-Tech. Collection and delivery will be on a weekly basis so you should not be without your sails for much more than a week.....unless they are toatally trashed!!!!

For any further information contact:

[neil@surf-tech.co.uk](mailto:neil@surf-tech.co.uk)

or
