Big respect to the WK groms as Sam, Tom and Ollie all put in stand out performances in a strong field during the White Air Youth Week on the Isle of White. Ollie, one of the youngest competitors, came in 1st in the U15 with Sam and Tom also showing some serious skills out on the water. Presentations were made at the UK Sailing Academy by the one and only Andy King, straight off the back of his 2nd place in Tiree. Everyone involved was very impressed by the sailing abilities of these 3 youngsters. Its good to see some of the kids from WK showing everyone how it should be done!!!! Big Respect to all 3!!!!B) B) B)

Unfortunately not, I wasnt involved in the event as Im at the academy doing something completely unrelated. It was a bit of a chance meeting seeing the three groms down here. I know one of the organisers though and he was well impressed with the skills on display.
